Full active ULTIMA kit in its wood Black Satin case. Included authenticity certificate, service manual, Focal tool CD for settings.
Composition of the kit:
2 x Tweeters, 2 x Woofers, 2 x Subwoofers

WHAT MAKES THE DIFFERENCE

- Full Active system
- Speaker developed from the best Focal loudspeakers (Grande Utopia EM & SM9)
- Very good tonal balance and natural reproduction even of the "extreme" frequencies (treble and low bass frequencies)
- Natural frequencies connection between tweeter & woofer
- Powerful subwoofer with high SPL (low load volume in ported enclosure)
- The best of the technology for a very high-end hi-fi sound
- Identification by serial number engraved on each driver, case and with certificate of authenticity

TECHNICAL CHARACTERISTICS

Subwoofer: 8" (200mm)
Voice coil diameter: 1^{15/16}" (50mm)
Voice coil height: 1^{1/8}" (28mm)
Nom. power: 300W RMS
Max. power: 600W
Sensitivity (2.83V/1m): 90.2dB

Woofer: 6 1/2" (165mm)
Voice coil diameter: 1 9/16" (40mm)
Voice coil height: 0 2/3" (17mm)
Nom. power: 120W RMS
Max. power: 240W
Sensitivity (2.83V/1m): 90.5dB

Tweeter: 2 15/16" (75 mm)
Voice coil diameter: 0 13/16" (20mm)
Voice coil height: 0 1/16" (1.4mm)
Nom. power: 50W RMS (with filtering)
Max. power: 200W (with filetring)
Sensitivity (2.83V/1m): 93dB
